

Directions to Rocky Mountain Ecodharma Retreat Center

8941 Overland Rd. Ward, CO (Close to Jamestown too)

There are several ways to get to Jamestown and Overland Rd., and also you can get to the center from CO 72 (Peak to Peak Highway), it is .6 miles east of Peak to Peak on Overland Rd.

From Denver or DIA (airport) head towards Boulder, eventually you will end up on US36 West.

- Take US 36, which is 28th St., OR Broadway, north through Boulder.
- When you reach the intersection with Lee Hill Drive, at the very north end of Boulder, turn left (west) onto Lee Hill Drive. It is clearly marked. It is about half an hour from here to the center.
- Follow Lee Hill Dr. west out of Boulder less than a mile to the intersection where Lee Hill makes a sharp left uphill turn. Don't turn, but go straight and follow Olde Stage Rd. up and down the hill, where the road winds and then ends at Lefthand Canyon Dr. Turn left at Lefthand. After a couple of miles, stay right at the junction onto James Canyon Dr: don't go over the bridge on your left towards Ward. (You can also get to Jamestown by following Lee Hill Dr. where it turns left, and not taking Old Stage Rd. When Lee Hill ends at Lefthand Canyon, turn right there and then in less than a mile turn left to head up to Jamestown).
- When you enter Jamestown please drive slowly as you continue thru the town, and watch for stop signs and speed bumps. Continue up what is now called Overland road until it becomes graded gravel and pavement ends.
- After about 1.5 miles of gravel you will see the turnoff to Glacier View Retreat on the right. DO NOT GO UP TO GLACIER VIEW, but continue straight on Overland Rd. about 100 yards until you see the gate on the left to enter the guest parking area in front of the trees: it says Guest Parking. Please do not enter the second gate into the big meadow; if you get there turn and come back to the parking lot.

**PLEASE PARK IN THE PARKING LOT, NOT ON OVERLAND RD.
PULL FORWARD AS FAR AS YOU CAN INTO EACH SPACE,
AND AS CLOSE AS YOU CAN TO OTHER CARS AS IS PRACTICAL.**

There are no cell signals or gas stations in the foothills. The nearest phone is in Jamestown at The Merc, but it is often not open.
